

PIONEERING THEMATIC ETF ISSUER, RIZE ETF, HIRES HEAD OF UK, IRELAND AND CHANNEL ISLANDS

<u>London, UK – 23rd February 2022</u> – Rize UCITS ICAV ("Rize ETF"), Europe's first specialist thematic ETF issuer, has appointed James Thomas as Head of the UK, Ireland and Channel Islands.

James was previously at State Street Global Advisors where he worked within the UK SPDR ETF team focusing on on wealth managers, private banks and family offices. Prior to that, James was part of the sales strategy team at J.P. Morgan Asset Management.

In his new role, James will report directly to the co-founders of Rize ETF.

Launched in 2019, Rize ETF is Europe's first specialist thematic ETF issuer. All of the company's funds seek to invest in megatrends that are rapidly transforming our world. The <u>company's suite of funds</u> now stands at six in total, investing across areas such as cybersecurity, medical cannabis, food sustainability and digital learning.

In 2021, the company added two new funds to its stable focused on environmental impact and digital payments. The <u>Rize Environmental Impact 100 UCITS ETF (LVNG/LIFE)</u> and the <u>Rize Digital Payments Economy UCITS ETF (PAYG/PMNT)</u> launched in July and November, respectively.

The company's AUM currently stands at \$483m.

Rahul Bhushan, Co-Founder and Director at Rize ETF commented: "We have grown at a very healthy pace since we launched our first thematic ETFs in 2020. Interest in our thematic strategies has swelled in the last year, and as we move into our next stage of growth, James brings a great deal of valuable experience across the ETF landscape which will help expedite our growth in our local market."

NOTES TO THE EDITOR:

About Rize ETF: RIZE ETF IS EUROPE'S FIRST SPECIALIST THEMATIC ETF ISSUER

Rize ETF launched its first two funds in February 2020 – the **Rize Cybersecurity and Data Privacy UCITS ETF** and the **Rize Medical Cannabis and Life Sciences UCITS ETF**. These launches were followed by two further launches in September 2020 – the **Rize Sustainable Future of Food UCITS ETF** and the **Rize Education Tech and Digital Learning UCITS ETF** – both of which were first of their kind in Europe. In June 2021, the company added yet another first of its kind ETF with the launch of the **Rize Environmental Impact 100 UCITS ETF**. The company added a sixth fund – the **Rize Digital Payments Economy UCITS ETF** – in November 2021.

In two years, Rize ETF's AUM has risen to over \$500 million. Co-Founders Rahul Bhushan, Stuart Forbes, Anthony Martin and Jason Kennard believe in offering investors with access to long-term megatrends that both resonate with their long-term convictions and align with their personal values and belief systems.

The Rize ETF business was created in 2019 by early thematic ETF pioneers Rahul Bhushan, Stuart Forbes, Anthony Martin and Jason Kennard, with the company's first ETFs launching in 2020. The group is a proven team of ETF experts and has over 40 years of combined ETF experience. The team specialises in creating high-quality, researchled and purpose-built thematic ETFs which leverage the unique insights and expertise of the best, most credible experts in each investment theme.

Rize ETF's products appeal to a new generation of investors that have global perspectives and less siloed approaches to investing. The team's exclusive focus on thematic ETFs allows them to launch timely and tailor-made solutions that are anchored in conviction and can stand the test of time.

Marketing Communication / Financial Promotion:

Communications issued in the European Economic Area ("EEA"): This marketing communication has been issued by Davy Global Fund Management Limited ("DGFM") acting in its capacity as management company of Rize UCITS ICAV ("Rize ETF"). DGFM is authorised and regulated by the Central Bank of Ireland. DGFM is registered in Ireland with registration number 148223.

Communications issued in jurisdictions outside of the EEA: This marketing communication has been issued by Rize ETF Limited ("**Rize UK**") which is an Appointed Representative of Aldgate Advisors Limited, a firm authorised and regulated by the Financial Conduct Authority (FCA FRN 763187). Rize UK is registered in England and Wales with registration number 11770079.

This is a marketing communication. This is not a contractually binding document. Please refer to the prospectus and Fund-specific supplement and Key Investor Information Document (the "KIID") of the relevant Fund and do not base any final investment decision on this communication alone.

You should seek professional investment advice before making any decision to invest in a Fund.

This marketing communication is not being provided to you on the basis that you are a client of DGFM or Rize UK. Neither DGFM nor Rize UK is acting on your behalf and neither entity is responsible for providing protections that would otherwise be afforded to clients of DGFM or Rize UK. This marketing communication is for information purposes only. Its contents, and the fact of its distribution, do not constitute investment advice, nor do they constitute tax, legal or any other form of advice or service. It does not constitute or form part of any offer to issue or sell, or the solicitation of any offer to buy or sell any investment. It shall not form the basis of, or be relied upon in connection with, any contract. Information and opinions contained herein have been compiled from sources believed to be reliable but neither DGFM nor Rize UK nor any of their respective partners makes any representations as to its accuracy or completeness. Any opinions, forecasts or estimates herein constitute a judgement that is subject to change without notice. DGFM and Rize UK disclaim all liability and responsibility arising from any reliance placed by any person on the information contained within this marketing communication.

Where past performance and projected performance information is shown, it must be noted that past performance and projected performance is not a reliable indicator of future performance. Simulated past performance does not represent actual past performance and is not a reliable indicator of future performance.

The Rize Cybersecurity and Data Privacy UCITS ETF replicates the Foxberry Tematica Research Cybersecurity & Data Privacy Index. An investment in the Fund involves significant risk and is subject to the volatility of technology stocks and exchange rate fluctuations and you may lose some or all of your capital.

The Rize Medical Cannabis and Life Sciences UCITS ETF replicates the Foxberry Medical Cannabis & Life Sciences Index. An investment in the Fund involves significant risk and is subject to the volatility of cannabis and pharmaceutical stocks and exchange rate fluctuations and you may lose some or all of your capital.

The Rize Education Tech and Digital Learning UCITS ETF replicates the Foxberry HolonIQ Education Tech & Digital Learning Index. An investment in the Fund involves significant risk and is subject to the volatility of technology stocks and exchange rate fluctuations and you may lose some or all of your capital.

The Rize Sustainable Future of Food UCITS ETF replicates the Foxberry Tematica Research Sustainable Future of Food Index. An investment in the Fund involves significant risk and is subject to the volatility of the food and agricultural sector and exchange rate fluctuations and you may lose some or all of your capital.

The Rize Environmental Impact 100 UCITS ETF replicates the Foxberry SMS Environmental Impact 100 Index. An investment in the Fund involves significant risk and is subject to the volatility of companies in the clean energy, environmental and technology sectors and exchange rate fluctuations and you may lose some or all of your capital.

The Rize Digital Payments UCITS ETF replicates the Foxberry Digital Payments Economy Index. An investment in the Fund involves significant risk and is subject to the volatility of the financial technology sector and crypto economy and exchange rate fluctuations and you may lose some or all of your capital.

Capital at Risk Warning – Please note that the value of an investment and any income taken from it is not guaranteed and can go down as well as up. You may not get back the amount you originally invested. If your investment currency is different to the Funds' currency of denomination (USD) or the currencies in which the Funds' assets are denominated (which may be a range of different global currencies), then the return you will get from your investment may increase or decrease as a result of currency fluctuations between your investment currency and such currencies.

The products referred to in this marketing communication are offered by Rize UCITS ICAV ("Rize ETF"). Rize ETF is an open-ended Irish collective asset management vehicle which is constituted as an umbrella fund with variable capital and segregated liability between its sub-funds (each, a "Fund") and registered in Ireland with registration number C193010 and authorised by the Central Bank of Ireland as a UCITS. Rize ETF is managed by Davy Global Fund Management Limited ("DGFM"). The prospectus (including the Fund-specific supplements and other supplements), the KIIDs, the constitutional document of Rize ETF and the latest annual and semi-annual reports of Rize ETF, the latest Net Asset Values of the Funds and details of the underlying investments of the Funds (together, the "Fund Information") are available at http://www.rizeetf.com. Any decision to invest must be based solely on the Fund Information. Investors should read the Fund-specific risks in Rize ETF's prospectus, Fund-specific supplements and the KIIDs. The indicative intra-day net asset values of the Funds are available at http://www.solactive.com.

The Funds are not offered or aimed at residents in any country in which (a) Rize ETF and the Funds are not authorised or registered for distribution and where to do so is contrary to the relevant country's securities laws, (b) the dissemination of information relating to Rize ETF and the Funds via the internet is forbidden, and/or DGFM or Rize UK are not authorised or qualified to make such offer or invitation.

The Funds may be registered or otherwise approved for distribution to the public or certain categories of investors in one or more jurisdictions. Where this is the case, a country-specific web page and copies of the Fund Information will be available at http://www.rizeetf.com. The fact of such a registration or approval, however, does not mean that any regulator (including the FCA) has determined that the Funds are suitable for all categories of investors.
